

OCTOBER 2017

# COLOR OF THE MONTH

## THE MANY MOODS OF PURPLE

The October Color of the Month is **Boutique Flair 44B-3**. A unique hue that is versatile and mysterious, purple is stunningly expressive in its many forms. Lighter shades and mid-tones with red undertones set the stage for a relaxing oasis and work well in a bedroom or a master bathroom. Deeper shades of purple with blue undertones add a luxurious and dramatic effect, making them ideal for a dining room or office. If you're not ready to take the plunge with a full room of this enigmatic color, try it as an accent wall, on furniture or on trim to complement existing décor. As in nature, purples pair beautifully with earthy greens and gold, bringing depth and richness to any space.
