AUGUST 2017

COLOR OF THE MONTH

Sheer Energy

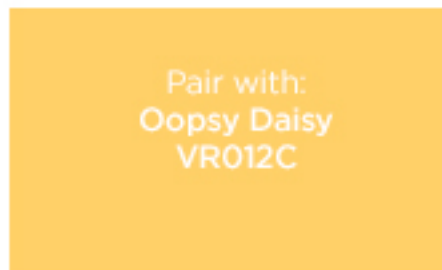

Boost your mood with the August Color of the Month, Valspar's **Word of Mouth VR037D**, because even a little glow of this **lively, blush apricot** gives a big lift to a boring room. This spirited hue is ripe with personality, which makes it an ideal color for living rooms, bedrooms and kitchens. Inspired by the healthy-living trend, there's nothing shy about this shade — it brings a glow

wherever it goes. Create a focal point in a room by painting a fun, geometric pattern on a bright, white wall. This technique is ideal for a home office for a fun and creative vibe. Pair this cheerful hue with yellows and greens to liven up any small room in your home such as a breakfast nook or kid's room. Try it on furniture with gold hardware to instantly refresh a dated armoire or desk.
